EXPERIENCE

Co-founder and Technical Product Lead — Saarthi Manosetu Wellness · Jodhpur, India 2025-04 — present

- Orchestrated phased market entry strategy using RICE prioritization; launched school web MVP that reduced time-to-market from 9 to 3 months while managing an 8-portal, 3-application portfolio under $100/month
- Deployed automated 24 hr PII purges and 10 security validation checks across 54 database models, reducing production rollout risks by 60%

Manager – Development — Standard Chartered GBS · Bangalore, India 2025-09 — 2026-08

- Generated $50K USD in net-new revenue by incubating an internal data-monetization module; externalized proprietary product catalog assets via a net-new "Payoff" capability

Senior Software Developer — Standard Chartered GBS · Bangalore, India 2024-04 — 2025-09

- Automated enterprise governance pipelines and re-engineered platform modules, reducing manual cross-team handoffs by 80% and improving operational efficiency by 40%
